

Someone who
wants me and
needs me.

HUG

Someone I want
to protect.

I was scared.

Every time
I saw you,

If I loved
someone again...

So what if you
become obsessed
with me?

Haa

Like a baby
running to
a mother.

Haa

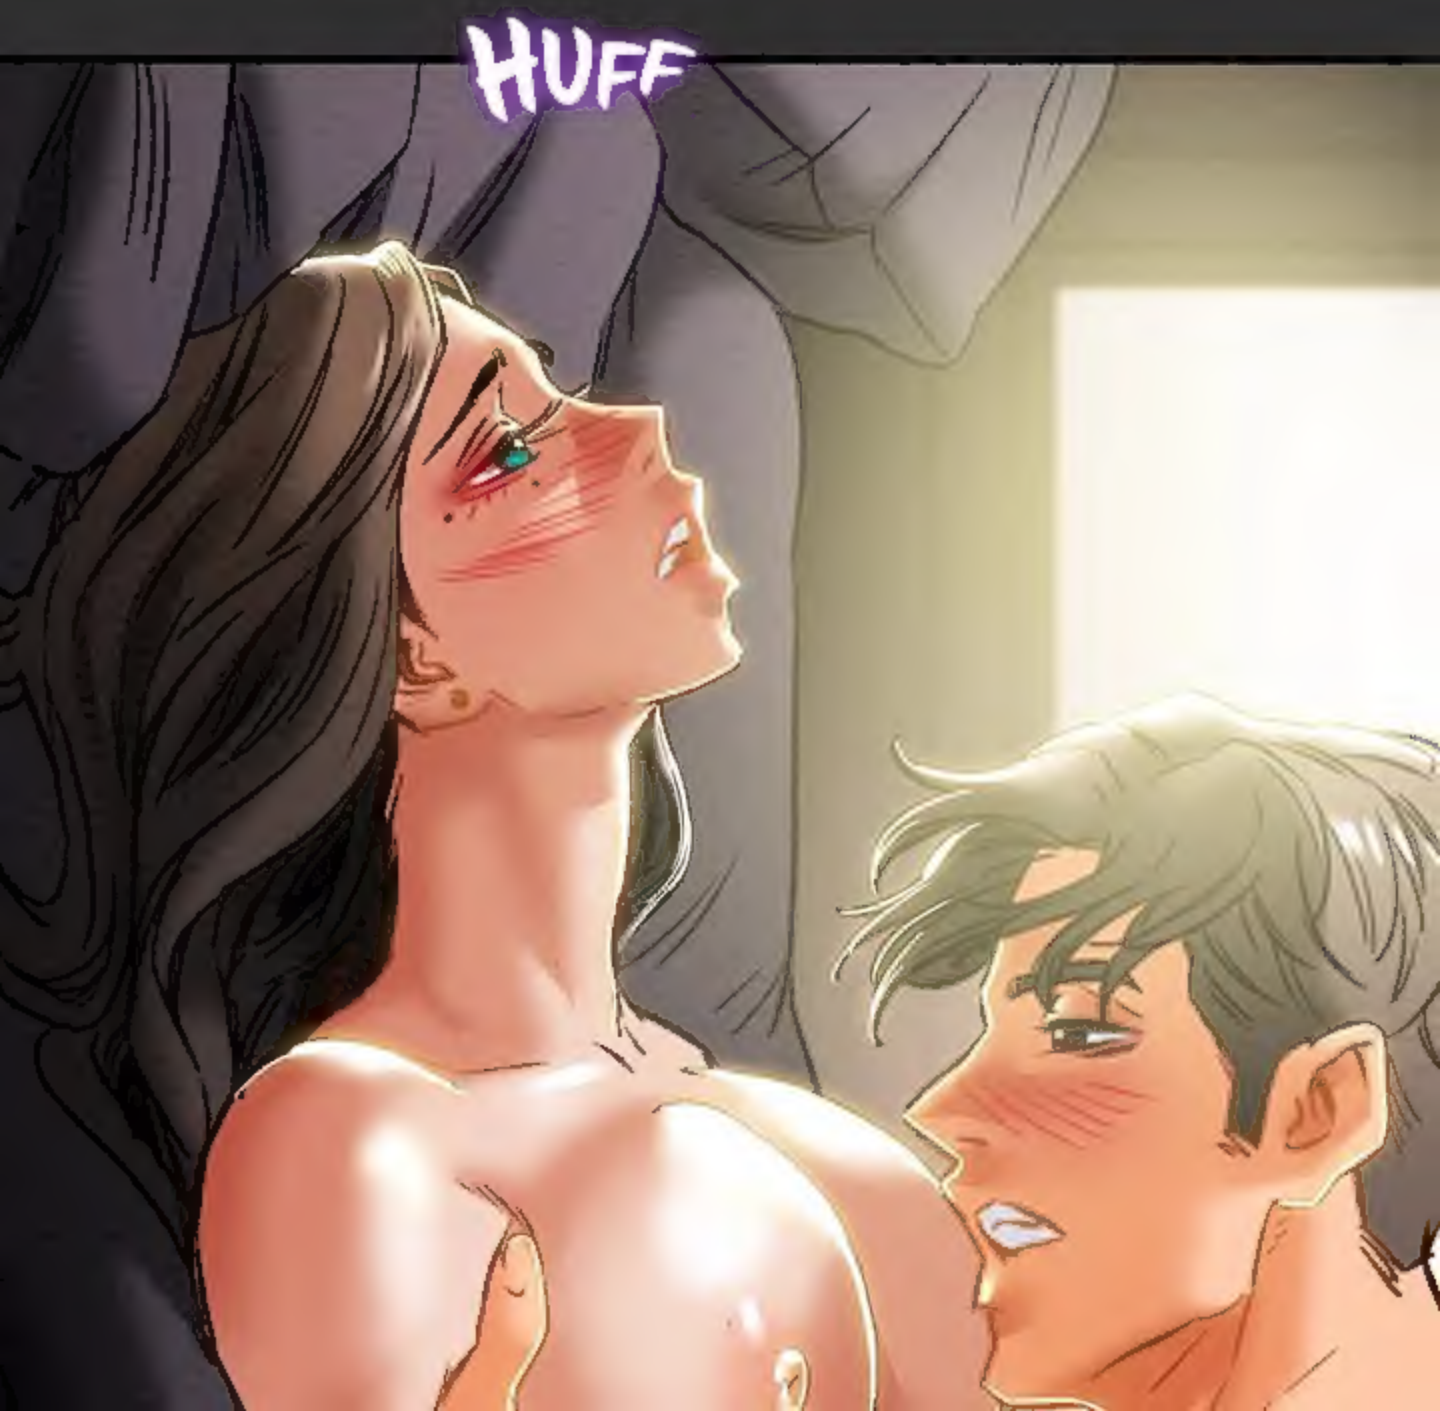

My head is
all messed up.

Worried and
stressed about
present, future
plans...

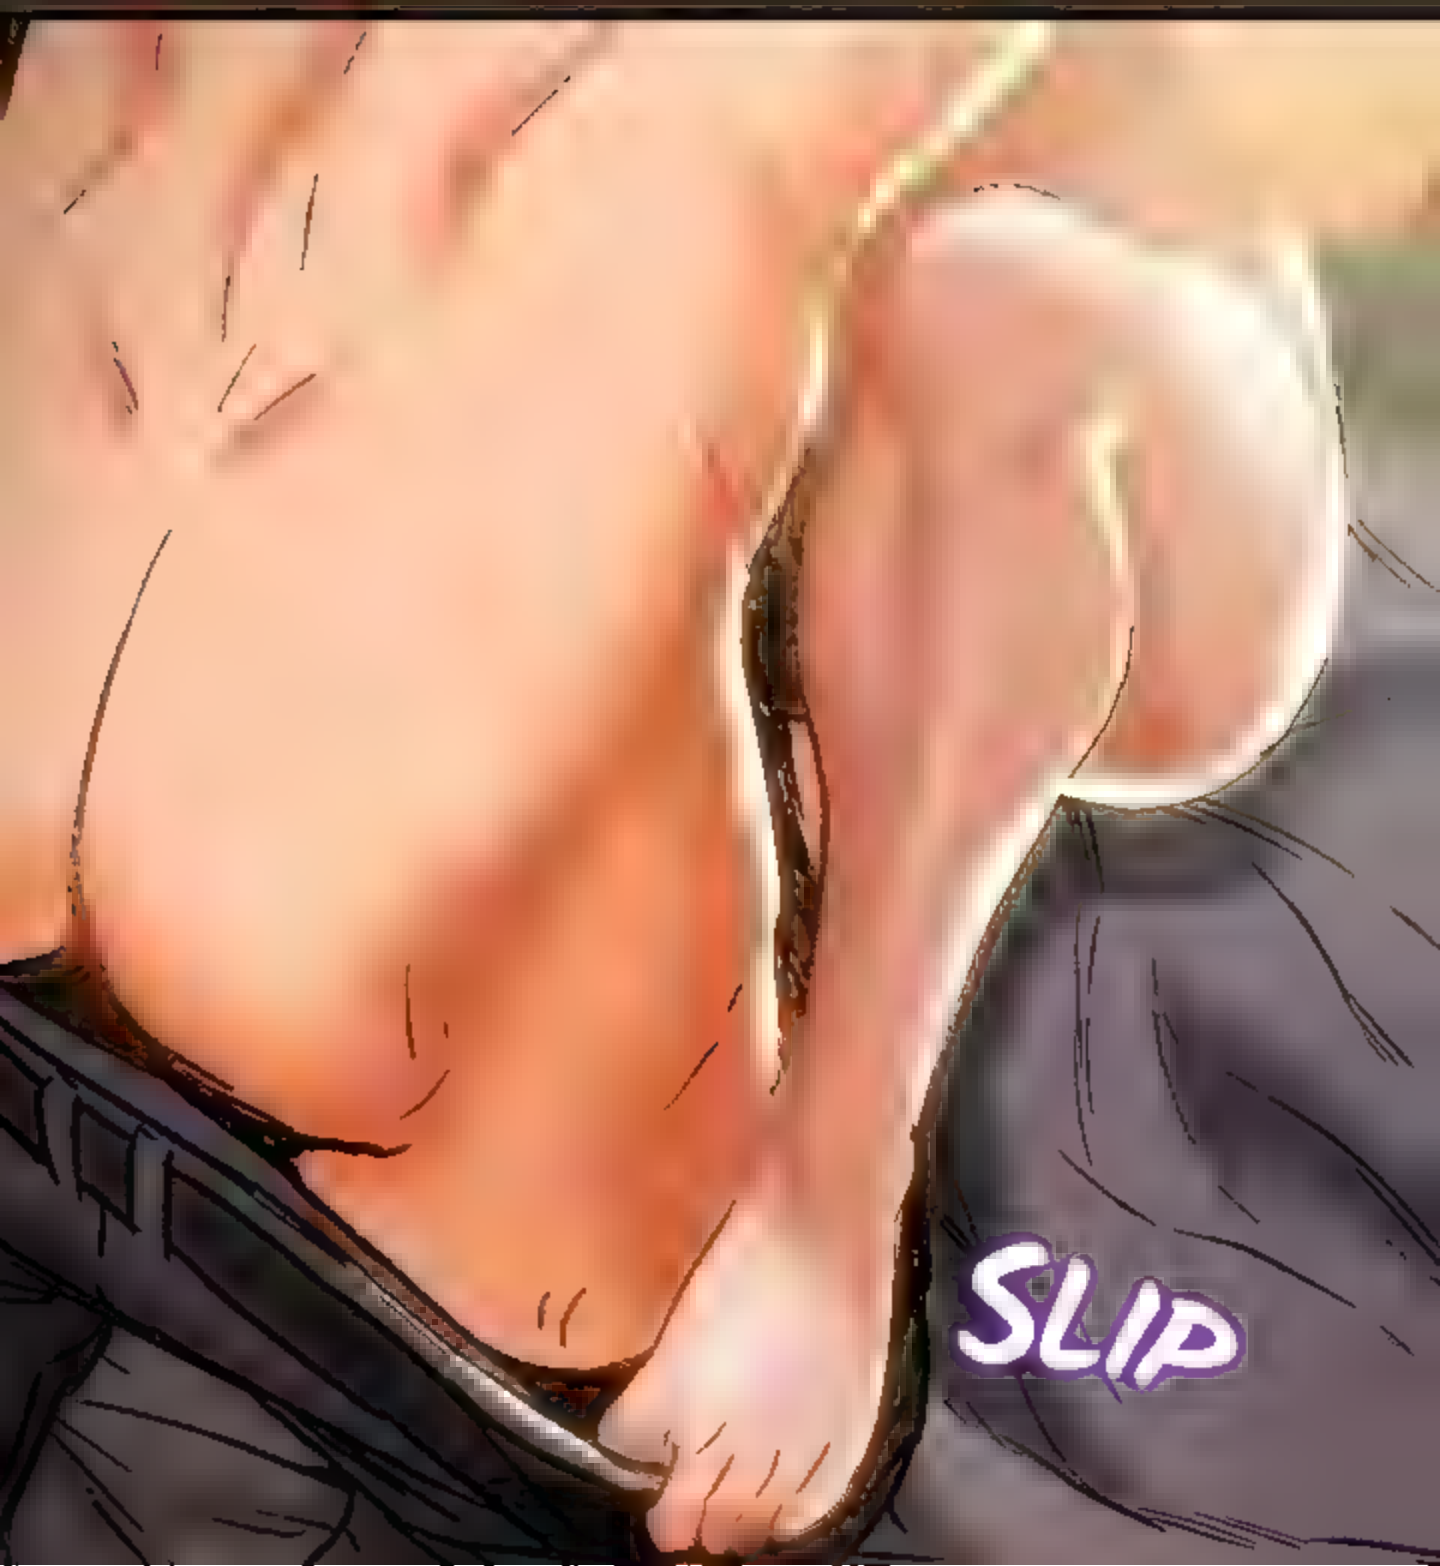

But she makes
them all go away by
a single touch.

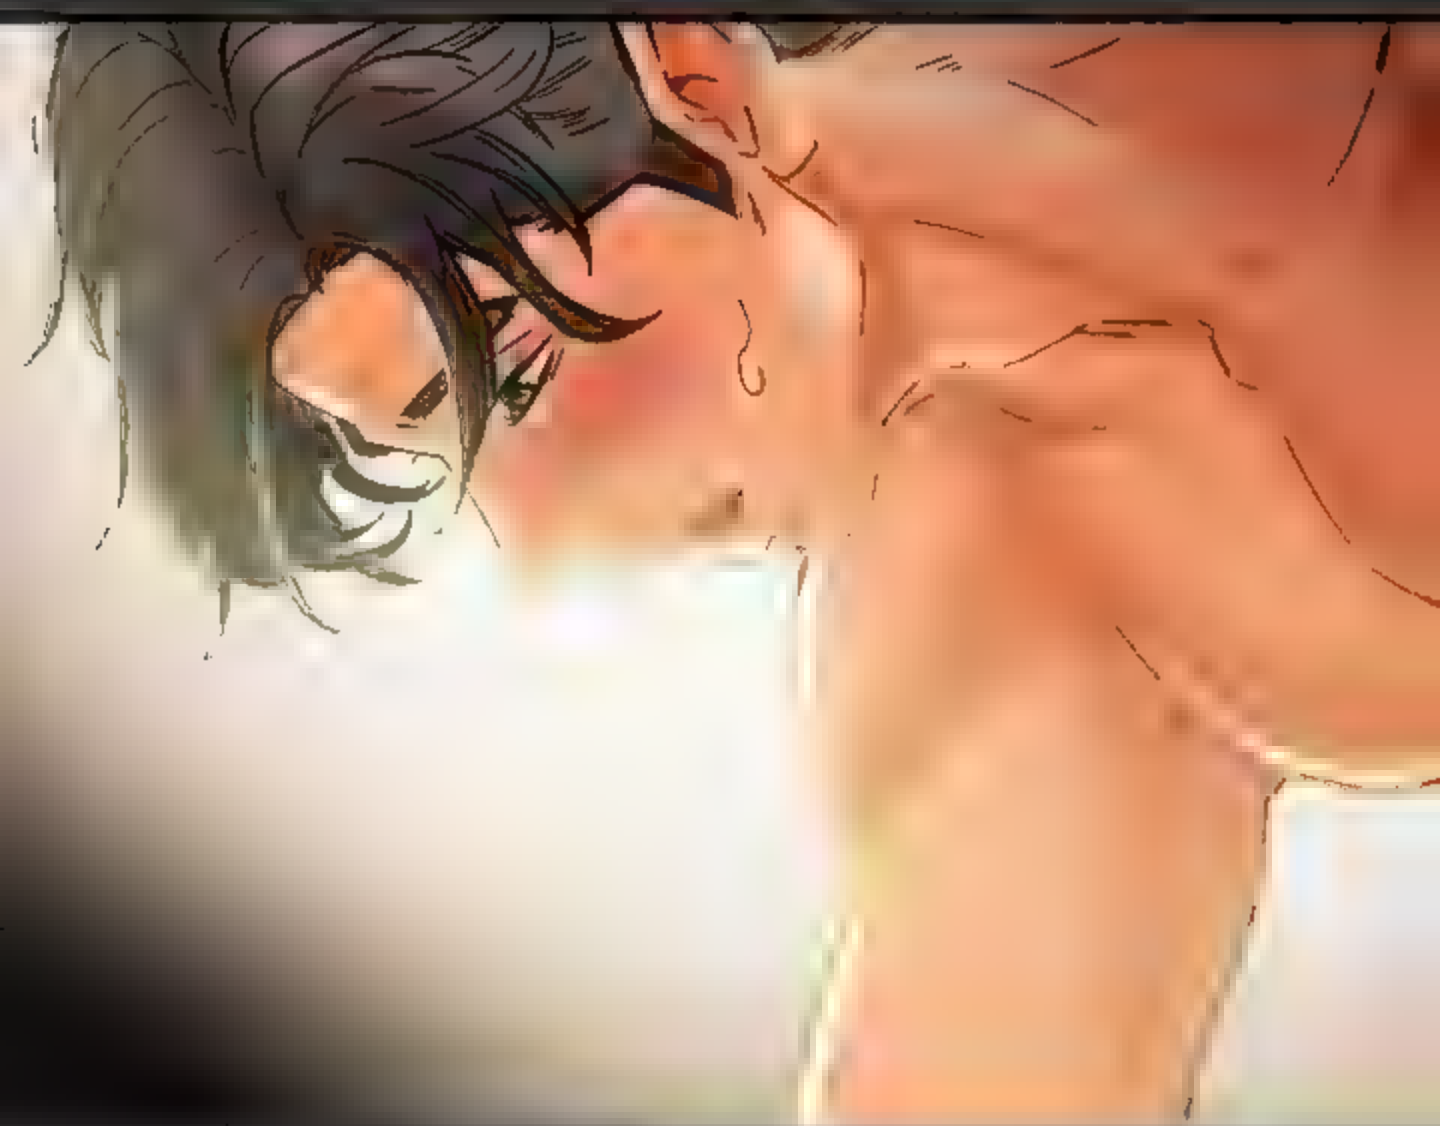

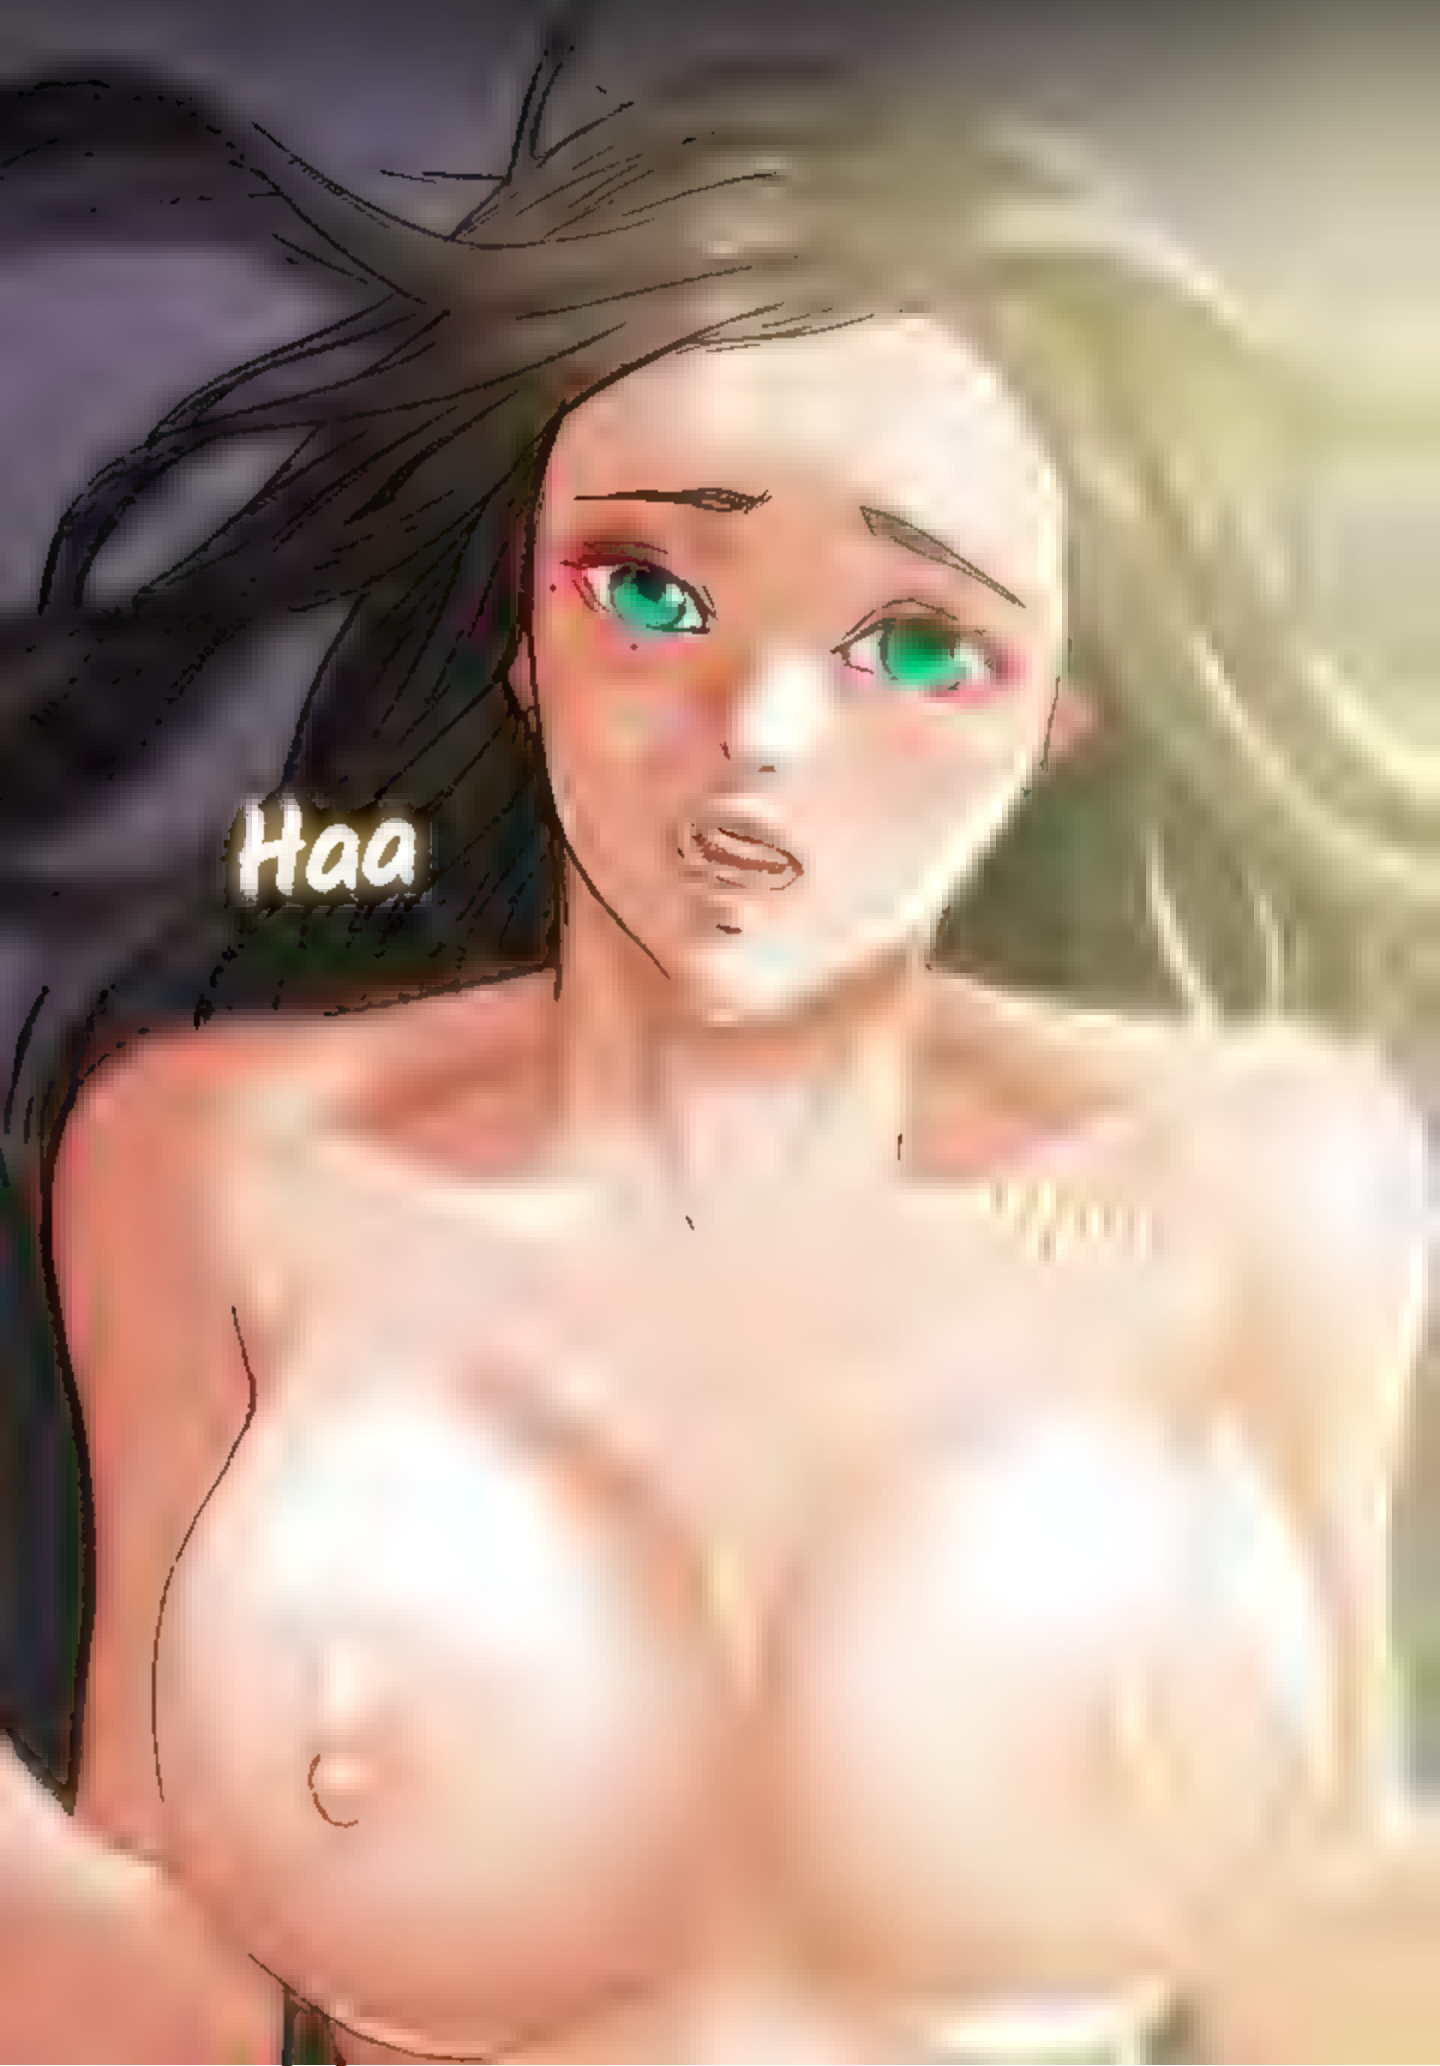

She's my shelter
from the storm.
